

Excellencies,
distinguished delegates,
ladies and gentlemen,

On behalf of the whole Executive Team it is our utmost pleasure to invite delegates from all over the world to attend

Model United Nations of Goldberg 2025.

Our world faces significant challenges and threats. It is our duty to take action and change our world for the better. MUNOG is a fantastic opportunity for our generation to show our commitment and willingness to improve our world today and make it a better place for tomorrow.

MUNOG is an international collaboration and a chance for new experiences and connections.

What started as a Climate Change Conference in 2008 is now looking forward to its 17th session. Over the past years, passionate students and committed teachers have been involved in organizing the conference, resulting in more than 3,500 students taking part as delegates overall.

MUNOG 2025 will entertain 10 committees for about 200 delegates, representing over 60 nations and non-governmental organizations. Beyond simply simulating the United Nations, this conference stands as a distinctive project designed for adept students capable of engaging in profound discussions on global topics and issues.
